

Infinity Ron Arad

Infinity is a colourful and curvilinear, modular bottle-holder. The elements which form the bottle-holder can be fastened together to form an indefinite number of rings inside of which bottles may be stored. It is available in a practical 16-piece gift pack and may be freely composed in an endless interplay of connections. It is available in most colours: opaline, blue, yellow and orange.

7680 Opaline

1Z/white	
2Z/blue	
3Z/yellow	
4Z/orange	

Material
Batch-dyed polypropylene
